ILLINOIS

We know the marketplace.

We understand the building product.

We can help your business grow.

Your Move.

**BERGHAMMER**  
Construction Corporation

**A building may be one of the largest expenditures your company will make. You need the right building contractor to lead the construction process, help you find the right solutions and keep the project on track.**

Located in Metro Milwaukee and with specific expertise in Kenosha County, Berghammer Construction is a design/build contractor serving clients growing or locating in Southeastern Wisconsin.

We're a company you can trust to be your partner, to be stewards of your investment, to provide the right mix of sophisticated processes and personal involvement.
